Subject: Anthem Water Rates

Dear Commissioner Mayes,

Your help in moderating or eliminating the next in a series of unending water rate increases would be greatly appreciated. These increases are beyond reasonable and will force many of us to make hard choices regarding where we live and how we meet our monthly expenses.

Please continue your efforts to help those of us unfortunate enough who are being asked to pay for Pulte's underhanded tactics to shift the undisclosed infrastructure costs to all of the residents who are already struggling with home values dropping 50% and rising unemployment.

Thank you for your consideration and please share these comments with your fellow commissioners.
